

Atherton Family Foundation Grant Application Guidelines 2017

Priorities

The Foundation makes grants for programs and projects that benefit the people of Hawai'i. The Foundation currently funds in the following areas: arts, culture, and humanities; community development; education; environment; health; human services; spiritual development; and youth development.

The Foundation believes that addressing major community issues cannot be done by one organization alone so supports organizations working collaboratively to address systems change.

Eligibility and restrictions.

- Applicants must have 501(c)(3) status or must apply through a fiscal sponsor with 501(c)(3) status. The Foundation does not make grants to organizations classified under 509(a)(3) of the Internal Revenue Code.
- If an organization applies through a fiscal sponsor, the fiscal sponsor must agree that the purpose of the grant is charitable, to monitor the grant project, control the expenditure of grant funds, and ensure compliance with the terms and conditions of the grant.
- The Foundation does not make grants to the Hawaii State Department of Education schools or public charter schools.
- The Foundation does not make grants to the University of Hawai'i.
- The Foundation does not fund conferences, festivals, and similar one-time events; activities that have already occurred; lobbying; loans; funds for re-granting and grants to individuals or for the benefit of identified individuals (except scholarships through the Juliette M. Atherton Scholarship and the Community Scholarship Fund of the Hawai'i Community Foundation).
- When considering requests for technology support, preference will be given to technology proposals that will result in a significant change that improves the non-profit organization's operations and/or programs. Grants for technology related projects require a 1:1 match from the organization. Grants for website development or the on-going costs for website, software, and hardware replacement and/or upgrades will generally not be funded.
- **All capital requests will ONLY be accepted at the October deadline for consideration by the board at their December meeting. Please see the addendum for large capital requests below for more detailed information on requirements. No other requests will be accepted at the October deadline.**
- The Foundation generally does not fund endowments or operating support.
- The Foundation does not serve as the sole funder of any organization and generally does not serve as the sole funder for any program.
- The Foundation will award no more than one grant to an organization at a time and no more than one grant in any calendar year. A grantee serving as the fiscal sponsor for another organization may receive a second grant for its own project. All previous grants must be completed with the submission of a final report before an organization is eligible to apply for a new grant.

- The term of a grant is usually one year. In the case of a multi-year pledge, payments are released in twelve-month intervals, and each payment is contingent on receipt of a satisfactory progress report. The Foundation generally does not fund a program for more than three consecutive years.
- The Foundation does not accept incomplete applications or applications from organizations with overdue final reports.
- Grantees must not use the Foundation's Directors' names on donor recognition plaques or similar items without the Foundation's prior approval.
