**FREDERICK W. ROHLFING III**, Vice President

**HERBERT M. "TIM" RICHARDS III**, Vice President and Treasurer

# HISTORY OF THE ATHERTON FAMILY & FOUNDATION

## JULIETTE M. ATHERTON

Juliette M. Atherton, the widow of Joseph B. Atherton, expressed her commitment to the welfare of the people of Hawaii with the creation of the Juliette M. Atherton Trust. On December 21, 1915, Mrs. Atherton transferred 20 percent of the outstanding shares of the Atherton Estate to her children, Charles H. Atherton, Mary A. Richards, and Frank C. Atherton. The 1,500 shares would be held in trust to continue the charitable work that Mrs. Atherton was vitally interested in throughout her life.

Mrs. Atherton originally retained the right to amend or revoke the trust. In 1921, the trust became an irrevocable charitable trust when she gave up her rights and amended the governing documents. This action was taken in recognition of the exemplary service performed by the trustees, and that they and succeeding trustees would perpetuate the trust's philanthropic purposes as intended by Mrs. Atherton. The deed directed that the trust income be used for:

*"...grants, loans, and other forms of payment toward assisting in the establishment, maintenance, or promotion of such religious, charitable, educational, benevolent, scientific, or other purposes, works, or enterprises, whether public or private, including schools, colleges, hospitals, asylums, homes, and the like institutions and objects for the public benefit, and including also the support and education of individuals during their attendance at any educational institution, and whether to corporations, associations, or other organizations or any private individual or individuals, as the Trustees shall in each case in their discretion and of their own volition approve."*

## FRANK C. ATHERTON

Frank C. Atherton, business executive and philanthropist, was born in Honolulu on July 1, 1877. He was the son of industrialist Joseph B. Atherton and Juliette M. Atherton, daughter of pioneer American missionaries to Hawaii. Mr. Atherton attended Wesleyan University in Middletown, Connecticut. Upon his return to Hawaii, he entered the world of finance and later became interested in industry. Like his forebears, he devoted much of his time to religious and civic works. On December 24, 1935, 10 years prior to his death, he established the Frank C. Atherton Trust to continue his support of religious, educational, and charitable programs and organizations. Grants and donations from the Frank C. Atherton Trust were primarily used to support charitable projects and programs in the state of Hawaii. In accordance with the purposes, expressed in the trust agreement, grants were for:

*"...the making of donations, contributions, subscriptions, loans, and other forms of payment or toward assisting the establishment, maintenance and/or promotion of such religious, scientific, educational, and other charitable purposes and enterprises whether public or private, including churches, societies, schools, colleges, hospitals, asylums, homes, and like institutions and objects for the public benefit."*

Mr. Atherton appointed Eleanore S. Atherton, Marjory A. Wightman, and himself as Trustees.

# HISTORY OF THE ATHERTON FAMILY & FOUNDATION

In 1975, the trustees of the Juliette M. Atherton Trust initiated action, which resulted in the creation of the Atherton Family Foundation, a nonprofit corporation organized in the state of Hawaii. A charter of incorporation was granted on November 4, 1975. The trustees then voted unanimously to transfer all investment property and income of the trust to the Atherton Family Foundation and transfer instruments were executed in January 1976. In December 1976, the trustees voted unanimously to transfer the property of the Frank C. Atherton Trust to the Atherton Family Foundation and executed appropriate instruments shortly thereafter.

Historically, the policies, the type of requests considered, and the primary fields of interest of the Juliette M. Atherton Trust and the Frank C. Atherton Trust were similar in nature. Both trusts considered educational programs and institutions the highest priority, and gave careful attention to religious organizations and health and social services.

The consolidation of the two trusts fulfilled several objectives: to provide more efficient administration, to allow greater flexibility in foundation policies, to increase protection and growth of the investment assets, and to increase the number of members and directors.

The diversity of the directors' perceptions and experiences has enhanced the Foundation's capacity to respond to the community and broadened its representation of charitable interests.

The Atherton Family Foundation is now one of the largest endowed grantmaking private resources in the state of Hawaii devoted exclusively to the support of charitable activities. It perpetuates the philanthropic commitment expressed during the lifetimes of Juliette M. Atherton and Frank C. Atherton, and of the family who have followed them.

# 2021 YEAR IN REVIEW

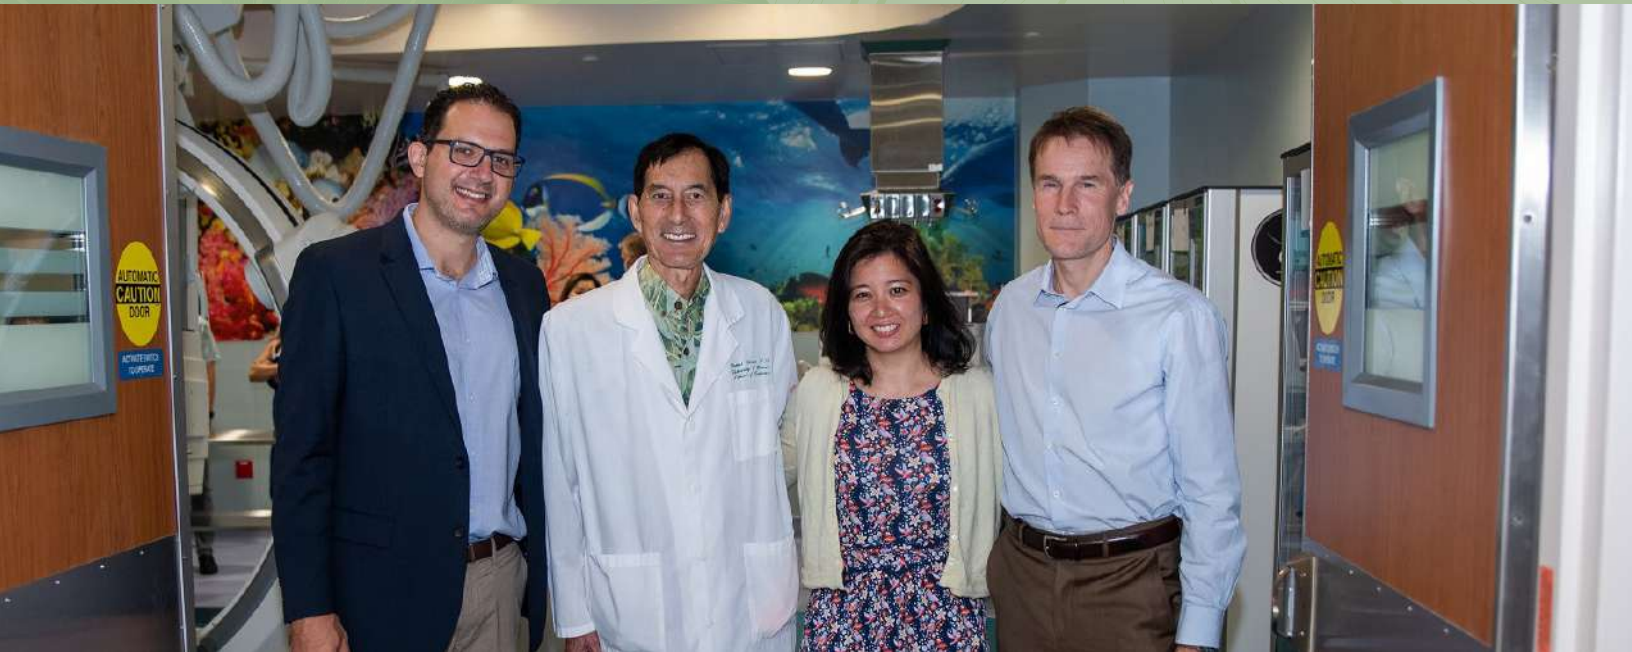

## Supporting Our Community By Looking Ahead

The Atherton Family Foundation continues its mission to support nonprofit organizations throughout Hawaii. In 2021, the Foundation awarded \$5.16 million in grants to organizations in a broad range of fields including nature conservation, arts and culture, youth development, and human services, to enhance Hawaii and the lives of its residents.

In the second year of the pandemic, many of Hawaii's nonprofit organizations envisioned how they could prepare for the future by investing in capital projects and growing lasting programs that would meet community needs not only for 2021 but for years to come. The Foundation's support for these programs and projects strengthened and increased the resiliency of our local communities and helped build their capacities to thrive.

# KAPIOLANI HEALTH FOUNDATION

Kapiolani Health Foundation supports the Kapiolani Medical Center for Women and Children in its mission to create a healthier Hawaii. Kapiolani Medical Center typically sees more than 20,000 patients per year and is the only specialty care facility for women and children in the state.

In 2021, with support from a capital grant from the Foundation, Kapiolani Medical Center broke ground on a new Pediatric Heart Center. Roughly 200 babies are born annually in Hawaii with heart disease, and until now, these keiki and their families have had to travel to both local and continental United States hospitals for health procedures at the very time they need the support of their ohana the most. The Pediatric Heart Center enables a suite of specialists and Hawaii's first

ever full-time pediatric cardiothoracic surgeon to be in one central location, reducing the need for travel and increasing the specialty care available. In addition, the new Catheterization and Interventional Radiology Suite provides state-of-the-art minimally invasive medical technology and heart care for babies, children, and women who experience high-risk deliveries. The Pediatric Heart Center finished construction in November 2022 and has since conducted critical, life-saving procedures for patients.

# MALAMA KAUAI

Founded in 2006, Malama Kauai increases local food production and access for Kauai. This award-winning organization uses a lens of resilience and sustainability to leverage workforce and economic development efforts, partnerships, and innovative programs to grow community capacity.

As the pandemic continued in 2021, food insecurity and unemployment rose across Kauai. Malama Kauai focused on the opportunity to support farmers, keiki, and the larger community through their food hub programs. A program grant from the Foundation enabled Malama Kauai to help farmers aggregate and distribute their products through the Moloaa AINA Center, helping to increase farmers' income and providing local food products to the community at affordable or free rates. Malama Kauai's programs provided the community

with over \$1.6 million in local food from 126 Kauai farmers, ranchers, and food producers during and since the pandemic and distributed over 20,000 bags of free produce to those in need, especially kupuna and keiki.

Building on the success of this program, the Foundation awarded Malama Kauai a capital grant in 2022 to build a permanent home for the Moloaa AINA Center, ensuring farmers can sell their products and increase food security for the Kauai community for years to come.

# HAWAII INVESTMENT READY

Hawaii Investment Ready (HIR) was established in 2013 to support people and organizations addressing Hawaii's social and environmental issues. By accelerating social enterprise impact and access to investment, HIR combines the wisdom of place-based knowledge with modern tools to empower entrepreneurs, funders, and nonprofits to collectively increase impact while building resilient enterprises.

As the pandemic arose in 2020, Hawaii nonprofits and funders quickly collaborated to meet the state's needs. Many of these individuals and organizations saw the opportunity for lasting impact by creating a formal workspace for future collaborations. With a program grant from the Foundation through HIR, community leaders established "Funder Hui," a member portal that fosters meaningful interactions between philanthropists, for-profit, and nonprofit organizations. Funder Hui now has over 600 subscribers and includes a website, monthly newsletter, advisory board of notable philanthropists, and working groups in Food and Farming, Housing, Education, and Capacity Building. It has held more than 75 networking and education sessions since its inception. By hosting and nurturing the best and

brightest minds in the fields of impact investing, social entrepreneurship, and collaborative grantmaking, Funder Hui strengthens the relationships and capacity within Hawaii's philanthropic sector to in turn strengthen the collective well-being and resilience of our communities.

# GRANT APPLICATION GUIDELINES

The Foundation makes grants for programs and projects that benefit the people of Hawaii. The fields of greatest interest are arts, culture, and humanities; community development; education; environment; health; human services; spiritual development; and youth development.

Grant application information can be found on the Foundation's website at [www.athertonfamilyfoundation.org](http://www.athertonfamilyfoundation.org).

## SCHOLARSHIP PROGRAM

The Juliette M. Atherton Scholarship was named in memory of Mrs. Atherton to ensure the continued association of her name and her special interest in Christianity with the Foundation. The scholarship benefits three categories of individuals: dependent sons or daughters of ordained, active Protestant ministers in Hawaii pursuing undergraduate studies; individuals from Hawaii pursuing graduate theological studies at a Protestant seminary with the goal of ordination; and active, ordained Protestant ministers residing in Hawaii seeking an advanced degree. Scholarship recipients are selected based on their financial need and academic promise.

For the 2021-2022 academic year, scholarship awards totaled \$115,000 to 23 students. The Directors also award an annual grant to support the Community Scholarship Fund at the Hawaii Community Foundation.

Applications will be available online beginning November 15, 2021, for the 2022-2023 academic year for seminary students, Protestant ministers pursuing advanced degrees, or sons and daughters of Protestant ministers. Application materials, transcript of grades, and personal statement must be submitted by January 31, 2022.

Advanced degree program applicants must provide the place and date of ordination, and the name of the seminary attended to confirm eligibility.

To obtain information about the 2022-2023 Scholarship Program, please visit the Hawaii Community Foundation at [www.hawaiicommunityfoundation.org](http://www.hawaiicommunityfoundation.org). You may also reach Hawaii Community Foundation's Scholarship Department at **(808) 566-5570**, or Neighbor Islands call toll-free **1 (888) 731-3863**.

Bank of Hawaii is the fiscal manager for the Atherton Family Foundation. Hawaii Community Foundation is the Foundation's grants administrator.
